

MEETING MINUTES		
Project Name	WorkFlow	
Meeting Name	Low Fidelity Prototype	
Meeting Facilitator	Seonyu Park	
Meeting Details	Date: October 20, 2023	
Meeting Invitees	Seonyu Park Sophia Pasha Ememobong Umoh	
Minutes:		
Topic	Summary of Discussion/Decision	
Compare the low fidelity prototypes and decide on the best design and style. Create the final prototype.	We discussed our low fidelity prototypes and which designs we liked best. We also discussed which designs and styles would be the easiest to implement with our level of coding knowledge. We decided on a final prototype that included all of the style ideas we liked the most.	
Action Items:		
Description of Action	Assigned to	Date Required
Create the high fidelity prototype based off of the low fidelity prototype.	Seonyu Park Sophia Pasha Ememobong Umoh	October 24
