Project Name	WorkFlow	
Meeting Name	High Fidelity Prototype	
Meeting Facilitator	Seonyu Park	
Meeting Details	Date: October 24, 2023	
Meeting Invitees	Seonyu Park Sophia Pasha Ememobong Umoh	
Minutes:		
Topic	Summary of Discussion/Decision	
Discuss and test the high fidelity prototype.	We discussed the high fidelity prototype that we created and we tested it to ensure that the connections worked properly. For example, we ensured that clicking on the sign up and login buttons resulted in the sign up or login page popping up and clicking on a header button led to that page.	
Action Items:		
Description of Action	Assigned to	Date Required
Be prepared to discuss the low fidelity and high fidelity prototypes with the customer. Be prepared to explain our design choices.	Seonyu Park Sophia Pasha Ememobong Umoh	November 2
